9th October 2026

Dear Families,

As always, we are very grateful to our teaching team for giving up their spare time and offering our children a variety of exciting clubs. We are pleased to share our timetable for Infant and Junior Clubs for the **Autumn 2 term** with you.

A full list of all clubs on offer, along with details of the time/days they will run are in the attached document.
Simply complete the Online form selecting a first and second choice club.

Please complete the form by **Friday 16th October**. We will then notify you by half term of the club your child has secured a place in for the duration of the Autumn term. Clubs will begin in the first week back of Autumn Term 2, from Monday 2nd November through until Friday 18th December.

We are limiting the number of teacher led after school clubs to one per child, so each child has the opportunity to participate in one.

We hope that every child who applies for a club, will get one of their preferences, but we cannot always guarantee this. Due to limited spaces, children will be selected using a random generator app to attend their chosen club. This approach ensures a fair opportunity for all interested children. Teacher led clubs always prove extremely popular and are often oversubscribed. However, please be assured they will go onto the respective club waiting list should any spaces become available.

Please be aware that **we will not** contact you if your child has not successfully secured a place in either of their preferred clubs.

For administration purposes, we request that you only submit the form once, but if you do make a mistake and need to resubmit the form, we will consider the most recent form submission.

Please note

Children participating in a sporting club after school, will need to bring their PE kit into school to change into at the end of the day.
