Dear Families,

The safety and wellbeing of our children is always our highest priority. To ensure that our end-of-day collection procedures are clear and robust, we would like to remind families of our expectations regarding collection arrangements.

If you would like your child to be collected from school by a person who is under the age of 16, we must receive your consent before this arrangement can take place by completing **this link.**

This provides us with a clear record of your permission and helps us fulfil our safeguarding responsibilities.

For safeguarding reasons, we will be unable to release a child to anyone under the age of 16 unless consent has been received and recorded by the school.

Should your collection arrangements change at any point during the year, please ensure that you update the school promptly.

Thank you for your understanding, cooperation and continued support in helping us keep all of our children safe.

Kindest Regards,

John Rankin Schools
