Friday 30th October 2026

Dear Year 6 Families,

We are delighted to share that all Year 6 children will be attending a special screening at **Vue Cinema, Newbury**, on **Friday 13th November** as part of the **British Film Festival**.

The children will be watching ***Oceans with David Attenborough***, a fascinating film that links closely to our upcoming **Evolution and Inheritance** Science unit, which will be taught during the Spring Term. The film will provide an engaging introduction to some of the themes and ideas that the children will explore in their future learning.

The visit will take place during the morning. We will be **walking to and from the cinema** and return to school for lunch. **All children will need a packed lunch on this day.** If your child is entitled to free school meals, please let us know that you would like a packed lunch provided.

Children should bring:

- Their usual morning snack
- A drink in a named water bottle
- A waterproof coat

Please ensure that snacks are in line with our school's expectations for healthy eating.

There is **no cost** for this visit as the screening is being provided free of charge through the British Film Festival.

We are very much looking forward to this exciting opportunity and are sure the children will enjoy this memorable experience.

Kind regards,

The Year 6 Team
