Dear Families,

At **John Rankin Schools,** we are committed to ensuring that all pupils receive the support they need to thrive both academically and personally. We are therefore seeking to identify any pupils who may have caring responsibilities at home and who may be considered a **Young Carer**.

A **Young Carer** is a child or young person under the age of 18 who helps to look after a family member who has a disability, long-term illness, mental health condition, addiction, or additional support needs. The care they provide may be practical, emotional, or supervisory in nature.

Examples of caring responsibilities may include:
- Helping with household tasks such as cooking, cleaning, or shopping.
- Looking after younger siblings on a regular basis.
- Providing emotional support to a family member.
- Helping someone with personal care or mobility needs.
- Managing medication or attending appointments.
- Interpreting or translating for a family member.

Being a Young Carer can have a significant impact on a child's wellbeing, attendance, learning, friendships, and participation in school activities. By identifying Young Carers, we can ensure that appropriate support is available where needed.

**How We Can Help**
Our school aims to support Young Carers by:
- Providing a trusted member of staff to talk to.
- Monitoring attendance and wellbeing.
- Offering flexibility where appropriate.
- Signposting families to additional support services and resources.
- Ensuring staff understand the challenges Young Carers may face.

Any information shared will be treated sensitively and confidentially and will only be used to help us provide the most appropriate support for your child.

If you have any questions or would like to discuss this further, please contact **Tina Kirk** at JRSOffice@maidenerleghtrust.org or telephone **01635 42376**.
