Bikeability Level 2 Training – Parent Information Letter

Dear Parent/Carer,
We're excited to offer **Bikeability Level 2** training at John Rankin School (Year 6) on the following two sessions:

Option 1: 30th September - 1st October

Option 2: 7th - 8th October

This 2-day course gives children the opportunity to develop their cycling confidence and road safety awareness.

What is Bikeability Level 2?

Level 2 is designed to help young riders become more confident cyclists. With the support of expert instructors, riders will progress from the playground onto quiet local roads to experience "real" cycling in a safe, structured way.

- During the course, your child will learn to:
- Identify and respond to hazards
- Start and stop on-road journeys
- Maintain suitable riding positions
- Comply with traffic signals, signs and road markings
- Communicate effectively with other road users
- Negotiate junctions safely

Cost and Booking

- **Cost per pupil: £12.50 (non-refundable).** This is a reduced school rate, subsidised by council grant funding.
- Once you book, you'll be directed to the council's online payment system to pay. A **unique payment code** will be issued – please make sure you record and use the payment reference when paying.
- **Important:** If your child is booked but does not attend, parents will be charged the full cost of training (£55), except in exceptional circumstances.

As this course is delivered by contracted instructors, once places are confirmed the school is committed to paying for it.

How to Book

Spaces are limited and offered on a first-come, first-served basis. Please book early to avoid disappointment.

Enrolment link for option 1 (30th September – 1st October):

This training gives your child valuable skills for life. Please talk to them beforehand to make sure they are ready and willing to take part.

If you have any questions, contact the school office.

Kind regards,

Bikeability
